**Colorado Mammography Society
Susanne Amitrano Memorial Scholarship Fund**

The Colorado Mammography Society has been given the task by the membership to provide a scholarship fund for those interested working in the mammography profession. The scholarship fund will be named in memoriam of Susanne Amitrano, R.T.R., M.

Susanne was an active member for many years in the Colorado Society of Radiologic Technologists and also the Colorado Mammography Society. Susanne known to us as Sue, was very involved in the early years of the Mammography Society. Sue would invite the board and officers over to her father's home where they would fold, stamp, and mail out fliers for the CMS meetings. For those of us who knew Sue, know the true love, respect and passion she had for the mammography profession.

The goal of the scholarship is to provide assistance to those individuals interested in pursuing a mammography certification. The State of Colorado requires those individuals performing mammography procedures to be ARRT Mammography Certified. To offset the cost of the continued education required to sit for the ARRT Mammography Registry, the Colorado Mammography Society is offering a \$500.00 scholarship for those interested in pursuing their education in this modality.

The board and officers of the Colorado Mammography Society has appointed a committee to review all scholarship applications and to choose a recipient. The committee appointed by the CMS board and officers will be three members with one being a present board member, one educator, and one member of the CMS.

The recipient will be presented with the Memorial Scholarship at the May 2015 Spring Conference. In addition to the scholarship, the recipient will be given a one year membership to the Colorado Mammography Society.

Application Instructions and Rules

The following are instructions to apply for the Memorial scholarship from the Colorado Mammography Society:

1. Ask for an application from a CMS officer/board member.
2. Follow the instructions on the application form.
3. A complete application must be submitted with all attachments requested.
4. The application will **not** be processed if any portion is missing or not completed.
5. Application and attachments must be postmarked by March 31, 2015.

In addition to these instructions, please see the application and specific instructions.

Any questions referencing the application and the process can be answered by any board member or officer of the Colorado Mammography Society.

All information provided to the committee shall be kept confidential by the board and officers and review committee.

Please send all applications to Karen Moe, R.T.R .M.BD.
